***Dear God, we are sorry that we often don't put You first. We think about what we want instead. We don't always put others ahead of ourselves either. Instead we think about what works best for us. Please forgive us. Help us to put you first, others second, and ourselves third.

###Heavenly Father, sometimes we aren't very nice. Please forgive us for times when we use unkind words. Also forgive us for the times we choose to use an ugly tone of voice. Help the words that come out of our mouths be used to encourage others, not to tear them down.

+++Dear Lord, please forgive us for not doing things we know we should. Sometimes we are in a hurry, or lazy, or just don't want to do the right thing. Sometimes we do something wrong by simply choosing to do nothing at all. Please forgive us. Help us see the good that we ought to do and choose to do it. Help us choose to serve and obey out of love.

~~~Dear Father, please forgive us for doing the wrong thing when we think no one is looking. Help us remember that you are always watching. You are not trying to catch us doing the wrong thing, but you want to encourage us and praise us. Please help us to be more like you all the time. Help us to live like you.
